

APPROVED JUNE 25, 1938.

REVISOR'S NOTE: This subsection is new language derived from Art. 66C, §470C(x) and set forth here for organizational purposes. The last phrase of §470C(x) is omitted in light of Art. 1, §21 as enacted by Ch. 26, Acts of 1973, which provides that a statutory reference to an act incorporates by reference all amendatory and supplementary acts.

(I) "INSPECTOR" MEANS A STATE EMPLOYEE OR GOVERNMENT EMPLOYEE AUTHORIZED BY THE SECRETARY TO INSPECT LIVESTOCK OR CARCASSES, PARTS OF THEM, MEAT OR MEAT FOOD PRODUCTS.

REVISOR'S NOTE: This subsection presently appears as Art. 66C, §470C(k) of the Code. The reference to "official" is proposed for deletion and "authorized government employee" is substituted therefor in order to codify the department practice of authorizing non-employees to conduct inspections. This subsection is revised to apply to meat because meat is inspected by the State in official establishments. The only other changes made are in style.

(J) "LABEL" MEANS A DISPLAY OF WRITTEN, PRINTED, OR GRAPHIC MATTER ON THE IMMEDIATE CONTAINER, NOT INCLUDING THE PACKAGE LINER OF ANY ARTICLE.

REVISOR'S NOTE: This subsection presently appears as Art. 66C, §470C(q) of the Code. The only changes made are in style.

(K) "LABELING" MEANS EVERY LABEL AND OTHER WRITTEN, PRINTED, OR GRAPHIC MATTER (1) UPON ANY ARTICLE OR ANY OF ITS CONTAINERS OR WRAPPERS, OR (2) ACCOMPANYING THE ARTICLE.

REVISOR'S NOTE: This subsection presently appears as Art. 66C, §470C(r) of the Code. The only changes made are in style.

(L) "MEAT" MEANS THE EDIBLE PART OF THE MUSCLE OF LIVESTOCK WHICH IS SKELETAL OR WHICH IS FOUND IN THE TONGUE, DIAPHRAGM, HEART, OR ESOPHAGUS, WITH OR WITHOUT THE ACCOMPANYING AND OVERLYING FAT, AND THE PORTIONS OF BONE, SKIN, SINEW, NERVE, AND BLOOD
